Procurement of traffic crash analysis software and related on-site training for eight Local Public Agencies.

The above referenced project has been classified as **race-neutral and is only valid for six (6) months from this date**. No DBE goal will be assessed for this contract/project; however, DBE participation is strongly encouraged. Project(s) to be advertised after six (6) months from this date must be re-assessed for a new DBE goal by completing the appropriate [DBE Goal Setting Worksheet](#) and resubmitting to adotgoals@dbesystem.com. No DBE availability has been identified.

Some DBE availability is based on the *Arizona Unified Transportation Registration and Certification System* ([AZ UTRACS](#)), which can be searched by specialty and/or NAICS code at <https://adot.dbesystem.com/>.

There are no requirements for On-the-Job Training.

Contact ADOT Business Engagement & Compliance Office at (602) 712-7761 if you have any questions regarding this assessment.

Sincerely,

Pettie O. Penn
